Dear Sauk County Businesses and Friends,

The 156th Celebration of the Sauk County Fair is right around the corner!

The Society invites you to join the excitement by becoming a Sauk County Fair Sponsor. The Sauk County Fair represents many things. It is a five-day entertainment event that showcases agriculture, provides affordable family fun and delicious food, highlights the talents and handiwork of people of all ages, brings in great grandstand shows, and creates a wonderful backdrop to meet old friends and make new acquaintances.

We would be honored to partner with you to host the 2010 Fair on July 5-11. And what better time to publicize your partnership with the Sauk County Agricultural Society than at the Sauk County Fair? This past year we were fortunate to have Country Music Entertainer, *Craig Morgan* perform in our Grandstand! He put on a fabulous show. And this year the Sauk County Fair will feature *The Charlie Daniels Band*, another popular country music entertainer. Just think of the exposure to your business(es) that this caliber of entertainment can provide!

Many volunteers are busy preparing a grand celebration for this event. However, hosting it requires significant work and funds. The Fair depends on support from businesses and organizations, such as yours, as well as hundreds of individuals who donate their time and talents. Please consider sharing what you can, whether goods and services, money, your time, or a combination of these. Please find enclosed a copy of our current sponsorship opportunities. If you have questions or suggestions, please call Kellie Zink at 608-477-2532 or feel free to contact any board member.

We appreciate your consideration, and look forward to seeing you at the Fair! Thank you.

Sincerely,

2009 Sauk County Agricultural Society Officers

George Koepp, President
Baraboo

Ann Stone, Treasurer
North Freedom

Scott Zirzow, Vice President
Baraboo
